Why not come along and join us on one of our one day private Holy Land Tours - you won't be disappointed.

We begin our tour of Jerusalem with a short drive to the top of the Mount of Olives. Here clients get to view the old city of Jerusalem with views of the Kidron, Hinnom & Tyropean Valley's. Leaving the top of the mount we begin following in the footsteps of Yeshua by walking down the route taken by Jesus on Palm-Sunday with stops at Dominus Favit (the Lord Wept) before eventually entering the Garden of Gethsemane (church of all nations).

Leaving the garden, we next enter the old city through the Lions Gate before visiting St Ann's church (the pools of Bethesda) and the Antonia fortress (where Yeshua stood trial before Pilate). Continuing our journey we now walk along the Via Dolorosa (walk of sorrows) with stops at the Church of the Holy Sepulchere, the Cardo, the Jewish Quarter & The Western Wall (with a tour of the Western Wall Tunnels).

After a stop for lunch, the journey continues with a visit to David's city (the original Jerusalem) before taking a walk through Hezekiah's tunnels, eventually arriving at the pools of Siloam mid afternoon.

A short walk from the pools is Mt Zion where we will visit the Upper Room, Calphai's house and David's tomb. The final leg of our journey will take us back into the old city via the Jaffa Gate, through the bazaars and the rooftop walkway, eventually arriving at the Garden tomb (Golgotha) - a probably site of the death & resurrection of Yeshua.)

For a tour you will never forget, why not contact us now and walk in the footsteps of Yeshua - with your own private guide for the whole day.

* Even though we will do everything possible to accommodate all guests while on tour, due to the nature of some of the Biblical sites in Israel some parts of the tour may involve walking in quite demanding terrain. Due to this situation, we would ask people with any physical conditions they feel may limit their ability to participate in certain activities to contact us prior to booking.

custom made tours for Christian groups

One Day Private Jerusalem Tour – Business Class

Includes:

- Private Transportation
- Private Tour Guide
- All Admission fees into all sites

Price:

\$165 per person (minimum of 2 passengers)

\$105 per person for 3 or more passengers

If collection is outside of Jerusalem and additional surcharge of \$40 per person should be added to the tour cost (due to additional transportation costs and travel time)

Description:

Our Jerusalem tour begins around 8:30am (earlier if collection is outside Jerusalem) and will finish around 7:30pm (or whenever the party tires out). All admission fees to sites visited ARE included in the cost. The pace of the tour is easy going and the speed at which it progresses can be denoted by each individual group. Our guide/s will explain to you the way he / she would recommend the day should run but if you chose to stay longer at a certain site, or if you decided you would like to stop for a coffee on route to a specific location, then this is what we do. We offer our customers complete flexibility while on tour with us.

(Please note: the Jerusalem tour does involve quite a lot of walking on ancient surfaces (ie: cobbled streets) and may not be suitable for all travellers. Should you have any type of physical impediments, please contact us as we will be able to redesign the tour to suit your needs)

The tour we offer is a PRIVATE business class tour with PRIVATE transportation. That means that you will have your own personal Christian tour guide with you for the whole day - you will NOT be part of a larger group. Many companies in Israel offer one day tours at a slightly cheaper rate but on these tours passengers are normally part of larger groups of between 30 - 50 passengers. Some people prefer this type of tour but often larger groups don't get to visit the number of places we cover due to the physical group size. In addition, many people will never have the opportunity to speak with the guide or ask questions because of the numbers in attendance.

Large group tours are often run to very strict deadlines, normally with visits to specific shops for purchasing of souvenirs. (we do not do this)

Many of the larger tours also DO NOT include entrance fees into the various sites you may visit. Please be aware of this before booking.
