Additional Info

Please note:

The above itinerary is a working guide of what the tour will entail but can be changed at the leading of the Holy Spirit or if circumstances dictate. All sites listed will be visited unless political situations dictate otherwise.

We try to lead all of our tours with Yeshua as our guide, following the direction of the Holy Spirit as we go. If the group feels the Lord is asking us to stop and pray, or give glory to His name through praise, then this is what we do. We always place Yeshua first. We find leading tours this way always brings the greatest fulfillment to all involved, while at the same time giving Glory to our Lord and Savior, Jesus Christ. In the same way, if the group would like to spend longer at a given location, then this is what we do.
